

## June 2019 Bulletin

Greetings!

Before June concludes, I wanted to share and celebrate the accomplishments of the **Senior SRLA Class of 2019!**

More than 560 SRLA seniors completed the Skechers Performance Los Angeles Marathon in March. In June, **99%** of them crossed the **high school graduation stage!**

This fall, 94% of these high school graduates have plans to attend college, with more than 75% of them being among the first in their families to go to college! SRLA's full graduation report can be found [here](#).

Thank you for supporting them on their journey on the race course and in the classroom!

Wishing you a wonderful summer,

Marsha Charney  
Executive Director

To honor and celebrate our graduates, SRLA will be featuring Senior Stories all summer long on our [blog](#).

The first is by Tanya who will be taking her [SRLA Scholarship](#) to the University of Southern California this fall. She shares:

*Ever since the finisher's medal was placed around my neck, I've viewed myself differently. No matter what kind of obstacle life throws at me, I know that I can overcome it because I have a*

*strong will.*
