The [Honda Power of Dreams Scholarship](#) honors SRLA students who have demonstrated great commitment to their community. Recipients of the Honda Power of Dreams Scholarship will receive a \$1,000 scholarship, be connected with the Honda Dream Team Member network, and receive free race entries to SRLA hosted races. Participating in SRLA events while in college provides SRLA alumni access to the supportive, encouraging environment of SRLA, and they, in turn, will become role models for, and provide a valuable resource to current SRLA students.

The five students awarded the Honda Power of Dreams scholarship are: **Noe Martinez** (Aspire Ollin University Prep), **Michelle Argueta** (Orthopaedic Medical Magnet), **Vianey Lopez** (Verdugo Hills High School), **Karen Hernandez** (LAPD Wilshire Cadets), and **Judith Moreno** (Animo Pat Brown).
