## Featured Story: SRLA Partners with Local Businesses this Holiday Season

This holiday season, SRLA is partnering with several local, family businesses! You can have an impact on your community and on students by supporting our partnerships with...

#### Plantiitas!

<u>Plantiitas</u> is a Latino-owned, Long Beach-based indoor plant shop. They offer a curated collection of indoor plants, pots, and merchandise. This weekend (Nov. 21-22), Plantiitas is donating 15% of sales to Students Run LA. You can support by adopting a plant baby in store or shopping online.

#### Team Outfitters!

Team Outfitters is a Latino-owned, Huntington Park based merchandise and apparel sponsor. They provide gear for sports teams and clubs all across LA. They also host the SRLA Swag Store. From now until this Sunday (Nov. 22), you can support SRLA and Team Outfitters by shopping for SRLA swag during our special Holiday Shopping window! This is your last chance to buy SRLA swaq in time to arrive for Christmas (and snag a free SRLA ornament with purchases over \$50)!

#### Northgate Markets!

Northgate Markets is a Latino market for everyone. The Anaheim-based chain of supermarkets is still owned by the González Family, who opened the first market in 1980. Northgate Markets joined forces with SRLA to offer an affordable, family-friendly series of holiday 5Ks in the Northgate Holiday Series. It's a great time to sign up for the next race, <u>Tamalito 5K</u>, or join the whole series to earn the festive, fun medals!

## **Upcoming Events**

Holiday Swag Store Now - Sunday, November 22nd

SRLA Endurance Half Marathon Sunday, December 13th

#### Should You Do a Virtual Run?

This recent article from Podium Runner explores the merits of running a virtual race and explains why it might be time for you to bite the bullet and sign up for a virtual run

### Weekend Highlights: SRLA Responsibility 15K

Your support provided students with the opportunity to run together (whether in person or in spirit) and connect with each other this weekend through the SRLA Responsibility 15K. This 9.3 mile run qualifies all SRLA finishers to receive a free pair of Nike running shoes next month.

Have you RAN with a CAN? Many students even completed the full 9.3 mile run while carrying a can of non-perishable food item as a part of our I CAN Run 15K SRLA Cares Project. After the run, these items were collected by group leaders and donated to local food banks and families in need. Your impact goes beyond running - events like this teach students that small individual actions can have a big impact on our community!

After the run, SRLA students reflected on their

15K on Instagram live. They shared stories from their runs and gave shout outs to teammates and leaders who inspired them on their way to the finish line. Be sure to watch & hear our students' stories.
